

About Us

We are a small, Orange Country based company that specializes in wrapping presents for the holidays. We love the holiday season and all the joy that it brings. We strive to help take the pressure off this holiday season by providing an easy, affordable gift wrapping service for anyone who does not have time to wrap, does not like to wrap, or want to slyly wrap their gifts without their loved ones knowing.

Our Process

Our process is very simple and we strive to make your life easier. First, you will want to fill out the form on our website. In the form, you will select how your package will be delivered to our facility, the wrapping paper or gift bag, ribbon, and tag you would like your gift to be wrapped up in, and any special instructions or add ons you would like. You will receive an email confirmation with for you order and a projected time when your order will be ready for pick-up after submitting the form. Most orders will be ready 3-5 days after the packaged is received. An order form can hold up to 5 packages, but we can accommodate any number of packages as you need by filling out multiple order forms. Note that for large orders, the estimated pick-up window will most likely be extended. Once the package(s) is delivered to our facility - either being shipped directly there or dropped off - you will receive a confirmation email that the package has been received and an estimated pick-up window. We will then wrap your gifts, and send you an email when they are ready to be picked up. Pick up is easy and contact less too!
